Docket No.: 4US1PC1US

At the time the issue fee was paid on November 12, 2010, the applicant informed the Office of the loss of small entity status and accordingly paid the issue fee at the non-small entity rate. The applicant's current entity status has not changed since the issue fee was paid. The applicant is unsure whether the fee that has to now be paid for filing the RCE should be at the small or non-small entity rate. To be cautious, the applicant chooses to pay the RCE fee at the non-small entity rate. Thus, the applicant includes herewith credit card payment of \$810 under 37 CFR § 1.17(e) (RCE). Should the Office determine that the RCE fee could have been paid at the small entity rate, the applicant requests that he be notified and that a refund be issued for the difference between the RCE fee at the non-small entity rate and the RCE fee at the small entity rate. Thank you.

Respectfully submitted,

Jerry Moscovitch
